

Even/Odd Sudoku by Takeya Saikachi

Rules: Standard Sudoku rules (insert a number in the indicated range into each cell so that no number repeats in any row, column, or bold region). Also, cells with a square contain an even number; cells with a circle contain an odd number.

		○		1	
		□		2	○
○		□	3		□
□		5	○		□
□	5		□		
	6		□		

Four i's

{1-6}
